

# Alton Central School

Principal's Report to the School Board  
August 14, 2017

We are having a busy summer here at Alton Central School! I am settling into my new space and have enjoyed getting to know my summer staff. As expected, I am looking forward to meeting all of my new students, staff, families, and community members.

We had a fantastic turn out for Camp Invention which included 30 students during the two sessions which ran in July. It was wonderful to see students explain some of their projects which included constructing castles, air cannons (to destruct the castles), and more uses and marketing ideas for duct tape than I could have ever imagined. Special thanks to Derek Pappaceno and Dawn Wallace for their efforts to ensure our students were challenged, engaged, and having fun!

Student schedules are posted on Powerschool and reflect the new ACS master schedule.

Finally, our ACS Open House is Tuesday, August 29<sup>th</sup>, 2017 from 5:00 – 6:30 pm. We are looking forward to meeting parents, students, and community members. Hot dogs, fruit, popcorn, and water will be served.

I am truly excited to be a part of the SAU #72 family and we are anticipating a phenomenal year here at Alton Central School!

Respectfully Submitted,
