

Volunteers sought for superintendent search committee

ALTON — At the September Alton School Board meeting, Superintendent Pamela Stiles informed the board that this will be her last year in Alton. It was with the deepest regrets that the board accepted her decision

and the board appreciates the amount of time she has given to find a replacement. Superintendent Stiles has been instrumental in helping the district formulate a Strategic Plan, implement action steps, and finalize

goals that have moved the school forward. She has listened to and worked with stakeholders, been a transparent and open communicator, and truly

cares about creating the best school possible for our students, staff and community and she will be missed. Although Superintendent Stiles will be leaving at

the end of the school year, the school board and the administration are committed to continuing to support and foster the work that has been done. The

ACS team will miss Superintendent Stiles' positive energy and they part at the end of this school year having worked together with mutual respect. They wish her the best in her future endeavors.

To begin the replacement process for a part time superintendent to begin July 1, 2019, the Alton School Board is looking for two community members and two ACS parents to serve on a Superintendent Search Committee. The search committee's responsibilities will take place during the months of October and November with the first meeting scheduled for Oct. 15 at 6 p.m. at Alton Central School. If you are interested in serving, please submit a letter of interest to Deborah Brown, SAU 72, 252 Suncook Valley Road, Alton, NH 03809 or dbrown@sau72.org before Oct. 10. Please include the best e-mail and phone number to reach you during the hours of 7:30 a.m. to 4 p.m. All interested will be notified by Oct. 12 of their participation status.
