LRGS is a USA Softball of NH organization that offers a place for girls of all different skill levels to come and get high-level coaching. We accept girls from all over NH to play for our recreational (rec) league and our Class "C" tournament (tourney) team, LRGS All-Stars!

Our rec league offers a place for girls from 4-18 years old to play softball at a competitive but informational level. LRGS offers a different style rec than most towns, our teams practice and/or play games MULTIPLE times per week!

If your daughter has the heart for softball and wants to play at a high level and play for our tourney team then have them come to our tryouts for LRGS All-Stars!
