

# ART COMPETENCIES SEVEN

## Visual Arts

### Creating

Apply methods to overcome creative blocks.

Develop criteria to guide making a work of art or design to meet an identified goal.

Demonstrate persistence in developing skills with various materials, methods, and approaches in creating works of art or design.

Demonstrate awareness of ethical responsibility to oneself and others when posting and sharing images and other materials through the internet, social media, and other communication formats.

Apply visual organizational strategies to design and produce a work of art, design, or media that clearly communicates information or ideas.

Reflect on and explain important information about personal artwork in an artist statement or another format.

### Presenting

Compare and contrast viewing and experiencing collections and exhibitions in different venues.

### Responding

Explain how the method of display, the location, and the experience of an artwork influences how it is perceived and valued.

Analyze multiple ways that images influence specific audiences.

Interpret art by analyzing art-making approaches, the characteristics of form and structure, relevant contextual information, subject matter, and use of media to identify ideas and mood conveyed.

### Connecting

Analyze how response to art is influenced by understanding the time and place in which it was created, the available resources, and cultural uses.
